LOCATION NOTICE QUARTZ CLAIM

NOTICE IS HEREBY GIVEN: That the undersigned citizen S of the United States, in compliance with the requirements of Chapter VI, Title 32, of the Revised Statutes of the United States, and the local customs, laws and regulations, have this day located and claimed fifteen hundred linear feet along the course of this lead, lode or vein of mineral-bearing quartz, and three hundred feet in width on each side of the middle of said lead, lode or vein, together with all mineral deposits contained therein, and all timber growing within the limits of said claim, and all water and water privileges thereon or appurtenant thereto.

The general course of the vein is northwesterly and southerly
Situating in the unknown Mining
District, County of San Bernardino, State of California, and more particularly described as follows, to-wit:

COMMENCING AT discovery monument located on a quartz dyke running on the southerly side of Crystal Canyon and beside an old tunnel. The center line is clearly marked by the quartz dyke running northwesterly and southerly. The northwesterly end of the monument is 700 feet northwesterly from discovery monument and the southerly end of monument is 600 feet southerly from discovery monument. The corners are right angles and the sides are parallel to each other and to the center line and are each 300 feet from the center line.
The general location of this claim is in Chukawallas Mountain and in Crystal Canyon about one mile beyond the end of the road built to an old mine.

The date of discovery of this lead, lode or vein is the 6th day of October, 1932
The date of location of this lead, lode or vein is the 6th day of October, 1932
It is named and shall be known as the Princess Alice Claim

WITNESS

E. Baker

LOCATOR S

F. J. Sampson
Geo. W. Brandy

Civil Code, State of California, Sec. No. 1426, LOPE CLAIMS, HOW LOCATED. Any person, a citizen of the United States, who has declared his intention to become such, who discovers a vein or lode of quartz, or other rock in place, bearing gold, silver, cinnabar, lead, tin, copper, or other valuable deposit, may locate upon such vein or lode, by defining the boundaries of the claim, in the manner hereinafter described, and by posting a notice of such location, at a point of discovery, which notice must contain:

- First—The name of the lode or claim.
- Second—The name of the locator or locators.
- Third—The number of linear feet claimed in length along the course of the vein each way from the point of discovery, with the width on each side of the center of the claim, and the general course of the vein or lode, as near as may be.
- Fourth—The date of location.
- Fifth—Such description of the claim by reference to some natural object, or permanent monument, as will identify the claim located.

Sec. 1426 B. Within 30 days after posting notice, the locator shall record a true copy thereof in office of County Recorder.

lines are parallel to each other and are each 300 feet from the center line. The general location of this claim is in the Chukawalla mountains and in Crystal Canyon about one mile beyond the end of the road built to an old mine.
